Some men are afraid of death, some are not. Most of us would rather not meet the grim destroyer to-day. We would rather put it off until to-morrow, or until next year. Mere wishes do not count for much in the matter. A man may not want to die. He may not want to die. He may not want to die se sick, Ite may wish and hope and pray that he will not be one or do the other, but wishing and hoping won't help him. It is what he does, and not what he wishes that serve his purpose. If a may is losing flesh, and is nervous, irritable, sleepless and debilitated, he may wish he would get well, but one bottle of Dr Pierce's Golden Medical Discovery will do more than an ocean of wishes. If a man is on the way to consumption, he should make a stop as quickly, as possible. He should put on-brakes. He needn't he afraid he has consumption in he will do the right thing—if he will just take the right medicine. The "Golden Medical Discovery" cures incipient and well developed consumption. Consumption is a germ disease and a blood disease. The "Golden Medical Discovery" kills the germs and purifies the blood. It increases the appetite, helps digestion, makes assimilation perfect, and so builds up solid, nehalesome flesh, Hundreds of grateful people afflicted with consumption, bronchial, throat and kindred diseases, have testified that it has actually saved their lives. For the sake of the information they contain, some of these letters have been included in Dr. Pierce's Common Sense Medical Adviser, a thousand page, illustrated book, which will be sent free on receipt of twenty-one (21) one-cent stamps to pay for mailing only. Every family should have a copy for ready reference in case of sudden sickness or accidents, World's Dispensary Medical Association, No. 663 Main Street, Buffalo, N. Y.

WE might tell you more about One Minute Cough Cure, but you probably know that it cures a cough. Ever one does who has used it. It is a perfect remedy for coughs, colds, hoarseness.
